## **Policies & Procedures:**

## **Overpayment of Benefits for Children in Care – DCF Memo:**

TO: ALL SUBSTITUTE CARE PROVIDERS

FROM: DISTRICT IV LICENSURE OFFICE, DEPARTMENT OF CHILDREN & FAMILIES

#### SUBJECT: OVERPAYMENT OF BENEFITS FOR CHILDREN IN CARE

This is to inform you that it is a violation of Florida Law for any person to knowingly accept or cash a state check for payment of services, which were not rendered. The following is a section from Florida Statute section 409.325 on fraud, which states:

# ANY PERSON WHO KNOWINGLY CASHES, ATTEMPTS TO CASH OR AIDS IN THE CASHING OF AN UNEARNED PAYMENT IS GUILTY OF A CRIME AND WILL BE PROSECUTED TO THE FULL EXTENT OF THE LAW.

In the event that you receive a payment on behalf of a child for whom services were not rendered during the covered time period, you should immediately contact Family Support Services to resolve any problems with the payment. The invoice form, which accompanies your reimbursement check, will provide information regarding names of children and dates for which payment is being made. Please review this information to verify that the payment covers children who were in your home during the dates for which you are being reimbursed. If the problem is a result of inaccurate placement information, please contact the Agency.

Overpayments are normally recovered through a reduction in the amount of your next reimbursement check. If there are no children in your home, you will be asked to make a check payable to the Agency in the amount of the overpayment. A negotiated payment schedule for a period not to exceed twelve (12) months can be arranged if the overpayment amount is large and would result in a significant financial hardship.

We are requesting your assistance and cooperation to assure that all providers are reimbursed in a timely manner. Your signature on the bottom of this form acknowledges your receipt and understanding of this information. Failure to comply with these procedures may result in children not being placed in your home.
