Eligibility requirements:

- **You must be at least 40 years old.** If you are age 30 – 39 and have a family member who was diagnosed with breast cancer before age 50, then the “10-year rule” applies.
 - For example, with a first-degree relative diagnosed at age 42, your eligibility begins at age 32.
- One year since last mammogram.
- Not pregnant.
- No breast issues (such as a lump or discharge from nipple area).
- Can climb the unit stairs and stand for 10-15 minutes without assistance. If unable, please contact the Baptist Health's Hill Breast Center at **904.202.2222 option 6** to schedule an appointment at one of Baptist Health's convenient brick-and-mortar locations.
- Has seen an OBGYN or primary care provider within the last year who is able to review screening results. If you haven't seen a provider within the year and would like to schedule an appointment with a primary care physician, call Baptist Health's care coordinators at **904.202.4YOU (202.4968)**.
- Reminder! Bring your insurance card and photo ID on the day of the event.

We can't wait to see you!
